The Executive Director reviewed with the Board the following matters.

- Discussion was held concerning Public Act 96-1495; ILCS 5-168(g)

The City deposited with the City Treasurer for the benefit of the Fund, \$172 million on February 29, 2016. A letter from Alexandra Holt, Budget Director, indicates that the moneys were deposited, but not available to this Fund until December 28, 2016, assuming the current legislation remains in place. A copy of such letter had been previously sent to each Trustee via email. Discussion was held regarding a potential request of the Fund to the City Treasurer's office to release such funds.

- Bringing to the attention of the Board, the Fund has a widow who has filed an application for a surviving spouse's annuity. Her husband was a Tier II police officer, hired in 2014 and passed away earlier this year, with one year and seven months of service for the Chicago Police Department. As of this date, the Fund has not had any Tier II deaths. The widow's application has been accepted and calculation is pending. At this time, cautious review of the Tier II language will continue, along with waiting for any further developments in Springfield. It was also noted that the Firemen's Fund of Chicago has a similar situation and has not awarded such widow any benefits.

- The Executive Director reported that she met with the executive directors of the Laborers', Firemen's and Municipal Pension Funds, along with two representatives from Mesirow Insurance Services and discussed the efforts to reduce fiduciary liability premiums. Mesirow is the insurance broker for the four City pension funds. Mesirow, in an effort to potentially reduce the premium suggested that the four pension funds set their policies to renew at the same time, and all four funds could be presented for coverage in an effort to solicit the most competitive bids. Additionally, the Executive Director requested that Mesirow consider a reduction in their commission percentage in an effort to reduce costs. Current brokerage commission for PABF is under \$25,000.

*After lengthy discussion, it was moved by Trustee Maloney, seconded by Trustee Wright that the Executive Director prepare a RFP for insurance brokerage services for fiduciary liability and have it available for the next meeting of the Board.*
